

# American Patriot Rally

*The Vancouver Landing Amphitheatre September 12th, 2009 Pre Rally Music 12:00 Rally at 1:00 PM*

*Come join us for a fun and informative rally. Our Constitution is the single greatest work of national deliberation the world has ever seen. We must promote the principles of the American Founding for they are responsible for our heritage of Liberty and Prosperity.*

***Our Vision:*** *The great American experiment has to this day been a question of a people's capacity to self-govern thus maintaining individual freedoms. When the balance of power between those governed and those given consent to govern becomes imbalanced, liberty and prosperity suffer. We desire that the essential balance of power, having been tipped to the side of those governing, would be restored to its optimal condition.*

***Our Mission:*** *In all of human history it is found that freedom is the exception, not the norm. The pillars of the American experiment and of the resultant liberty have been a civically moral, educated, and active people. Our mission is to encourage each other, our families and, our communities in these pursuits, thus reasserting civic ownership and control of our cities, state, and nation.*

**The Legendary Thomas Paine will deliver a special message - in person. YouTube sensation, actor, author, and historian Bob Basso will perform as the legendary colonial patriot, Thomas Paine, author of the 1776 pamphlet "Common Sense".**

Pre Rally Music starts at 12:00 by "We The Band" featuring brand new patriotic songs.

Speakers include the following:

Victoria Taft (KPAM), Peter Marshall Jr., Shelley Taylor Morgan

Juliana McMahan (Evergreen Freedom Foundation)

Jeff Kropf (Americans for Prosperity), Rev. Wayne Perryman,

Greg Noelck, Dr. Bob Basso

Amazing Grace sponsor passes available for morning or evening freedom sails.

The sunset sail will feature Paula Swornay singing Amazing Grace from aboard

Amazing Grace as she makes her maiden voyage through downtown Portland.
